The Bus Stand was constructed long back But it has remainedg unused for want of a good approach road from M.T.S. road to Bus Stand for Bus traffic. The residents and the passenger feel much inconvenienced for this reason and the Council realising the need for this road, have resolved at their meeting held on 29-4-46 to have it constructed at a cost of Rs.2580/- as per estimate enclosed This estimate includes other auxiliary works such as tunnel, road formation, etc , necessary for the construction of an approach road. The Council have resolved to pay the entire cost out of the closing balance which as per Budget estimate is Rs. 8977. as may be seen from the financial statement enclosed.(copy of resolution is also enclosed)

I request, in these circumstances, that Government may be pleased to accord sanction to the resolution of the council approving the estimate and proposing payment out of the closing balance for 1945-46.

To avoid delay, I have authorised the President to pay the cost out of the closing balance in anticipation of kind sanction of Government.
